WINTER VACATION HOMEWORK

Dear Children

The winter break from school is often filled with different plans and activities, but it is important to keep learning over these weeks. So enjoy yourself and make the beginning of the year fruitful and enjoyable by doing these interesting activities which will turn your vacation more creative and constructive.

Read for pleasure- pick the newest book from your favourite series and read for fun. After reading, ask yourself questions such as, "Which is my favourite part?" or "Which character of the story I like the most and why?"

- Cook up an easy lesson- invite yourself to the kitchen and take your mom's help whip up a special dish- from Christmas cookies to yummy cakes .This activity would involve reading, writing and measuring.
- Write Thank You Notes- writing notes of appreciation for your family and friends will help practice writing or spelling skills. Make sure to drink a cup of hot cocoa to make the task feel more festive!
- Maintain reasonable bedtimes with no school to get up for in the morning, follow a regular bedtime schedule and start your 2020 bright eyed! Limit watching TV to one hour.
- Encourage self-responsibility make your bed and clean your room daily.
- The more we share the more we have- donate food or clothes to the needy or poor to spread the joy of sharing.
- Stay positive work hard- exercise regularly and eat healthy food.
- Avoid video games instead learn to play interesting games like Scrabble, Pictionary etc.
